

Iran Europe

Industrial & Trading Group

Iran Europe

Iran Europe Industrial & Trading Group was founded in 1993 in Tehran (Iran) to render engineering, procurement and financial services to Iranian clients / projects in the following fields:

- ✓ Mining industries (Agent of Outotec / Finland since 2000, Marketing & Sales Support)
- ✓ Oil and Gas industry (Design, Engineering and Procurement of Oil / Gas projects as local partner of European engineering companies and manufacturers)
- ✓ Pharmaceutical (Import and Supply of Pharma Finished products)

Oil and Gas Division

Oil and gas division of Iran Europe has been established to attend in oil and gas and petrochemical EPC and turnkey projects as a joint venture with Foreign contractors, while supplying Mechanical Equipment, Flame Arrestors, Piping, Material, Electrical equipment, Instrumentation, Geophysics and Seismic engineering equipment.

Oil and Gas Clients

POGC (Pars Oil and Gas Co.)

Petropars

IOEC (Iranian Offshore Engineering Co.)

IOOC (Iranian Offshore Oil Co.)

OIEC (Oil Industries Engineering
Construction)

Namvaran Consulting Engineers

Chagalesh Consulting Engineers

Esfahan Oil Refinery Co.

PIDEC (Petrochemical Industrial Design
and Engineering Co.)

PEDEC (Petroleum Engineering &
Development Co.)

DANA Energy

NISOC (National Iranian South Oil Co.)

ICOFC (Iranian Central Oil Fields Co.)

NIDC (National Iranian Drilling Co.)

NIOEC (National Iranian Oil Engineering
and Construction Co.)

Oil and Gas Projects

- ❖ Abouzar Oil field Development Project
- ❖ Salman Oil Field Development Project
- ❖ Reshadat Oil Field Development Project
- ❖ Shiraz Petrochemical Ammonia 3 Project
- ❖ SPGFD Phases 1, 2&3, 4&5, 6&7&8
- ❖ Fifth National Gas Pipeline (IGAT 5) Fiber Optic Network

Oil and Gas Partners

Pharmaceutical Division

The pharmaceutical division of Iran Europe has been established to Import finished dosage of medicines since 2000.

Technical and Commercial staff by gathering years of experience, high knowledge and well reputation in line with internationally accepted practice have been and still are importing Finished products, in particular injectable items and vials for hospital use.

Our Pharmaceutical

❖ 5-Fu, carboplatin, Octreotide

❖ PharmIdea (Latvia) è Bortezomib

❖ Norma Hellas (Greece) è Colistin

❖ Magnesium Effervescent Stress-Energy

Mining Division

Iran Europe is the sole representative of Outotec (Finland) in Iran in terms of Marketing & Sales Support since 2000.

Outotec also completed many projects by rendering different type of services and products through Iran Europe to Iranian mining industries such as audits (lance-burner, flotation system, SAG mill, pelletizing, thickener), desulfurization study, concentrator quality improvement, pelletizing, advisory service for flash smelter commissioning, casting wheel, burners, furnace, sulfuric Acid conceptual engineering, Industrial & constructional steel rolling mill study and test work, flash smelter and slag flotation basic engineering.

About Outotec

Outotec is a Finnish corporation which provides leading technologies and services for the sustainable use of Earth's natural resourcing technology. Outotec has developed many breakthrough technologies over the decades. The company also provides innovative solutions for industrial water treatment, utilization of alternative energy sources and the chemical industry. Outotec shares are listed on NASDAQ OMX Helsinki.

Outotec leads technologies and services for the sustainable use of natural resources for minerals and metals processing (83% of Outotec's sales), renewable energy production, industrial water treatment, chemical:

Outotec

Outotec Completed Projects in Iran

- Audit for NILZ about Kaldo Lance Burner
- Audit Service for Miduk Flotation System
- Audit Service for Miduk SAG Mill
- Audit Service for Mobarakeh Pelletizing
- Audit Service for Poya Zarkan Mill
- Audit Service for Poya Zarkan Thickener
- Chador Malou Thickener
- Desulfurization Study for Gol-E-Gohar
- Gol-E-Gohar Concentrator Quality Improvement Project / Basic Engineering
- Gol-E-Gohar Pelletizing 1
- Khatoon Abad Advisory Service for Flash Smelter Commissioning
- Khatoon Abad Casting wheel

Outotec Completed Projects in Iran

- ✓ Sarcheshmeh Anode Furnace 4
- ✓ Khatoon Abad Flash Smelter License
- ✓ Khatoon Abad Sulfuric Acid Conceptual Engineering
- ✓ Khore Byabanak Potash Technical Advisory to Kahanroba
- ✓ Sarcheshmeh Flash Smelter Basic Engineering
- ✓ SL/RN for Yazd Industrial & Constructional Steel Rolling Mill Co. Test Work
- ✓ SL/RN Study for Yazd Industrial & Constructional Steel Rolling Mill Co
- ✓ Sungun Flash Smelter and Slag Flotation Basic Engineering
- ✓ Training Service for Khatoon Abad Smelter Operation people
- ✓ Khatoon Abad Flash Smelter Expansion Basic Engineering
- ✓ Audit Services for Khatoon Abad Flash Smelter Problems
- ✓ NILZ Kaldo Lance Burner

Outotec Completed Projects in Iran

Outotec Current Projects in Iran

- ❑ Fakoor Sanat Key Equipment for Khatoon Abad Refinery
- ❑ Sarcheshmeh Refinery Cathode Handling Machine (Related to Service)
- ❑ Sarcheshmeh Sulfuric Acid Basic Engineering
- ❑ Khatoon Abad Sulfuric Acid Basic Engineering
- ❑ Sarcheshmeh Convertors Off-Gas Handling
- ❑ Khatoon Abad Flash Smelter Expansion
- ❑ NICICO New Concentrator Project
- ❑ Sarcheshmeh Concentrator Expansion 2

Outotec Current Projects in Iran

- ❑ Sarcheshmeh Flash Smelter
- ❑ GoharZamin Pelletizing
- ❑ Gol-E-Gohar Mixer
- ❑ Gol-E-Gohar Pelletizing 2
- ❑ Gol-E-Gohar Stack
- ❑ Khatoon Abad Concentrator Storage 2
- ❑ Maadkoush Pelletizing Filters

Outotec Major Clients

- Fakoor Sanat
- Gol-E-Gohar
- National Iranian Copper Industries Co. (NICICO)
- Khorasan Steel
- National Lead & Zinc Co. (NILZ)
- Poya Zarkan
- Gohar Zamin
- Maadkoush
- Pars International Industrial Development Co. (Piidco)
- IMIDRO (Iranian Mines & Mining Industries Development & Renovation)
- Bafgh Mineral Complex & Steel Industry Co.
- IMIDRO (Iranian Mines & Mining Industries Development & Renovation)
- Mobarake Steel
- Khuzestan Steel
- Ghadir Investment Co.
- Bafgh Mineral Complex & Steel Industry Co.
- Mobarake Steel
- Khuzestan Steel
- Ghadir Investment Co.
